

## Year 5 Summer Half Term 5 Parents'/Carers' Leaflet

### Geography

In geography we will be learning about a new topic called "Spatial Sense". This will involve lots of map skills and developing our knowledge of the world we live in.

### Music

We will continue learning how to play the trumpet.

### English Work

We will be finishing writing our missing chapter from Holes, which has been our favourite book we have read so far this year! We will then move on to a poetry unit.

### Religious Education

We will be learning about what Christians believe about old and new covenants.

This half term our topic is:  
**Spatial Sense**

### Science

After finishing our topic on materials and their properties we will move on to looking at animals including humans, our last topic of the year!

### Mathematics

We will continue working on converting between fractions, decimals and percentages, before moving on to adding and subtracting decimal numbers.

### PSHE

We will do some work around drug, alcohol and tobacco education.

### ICT /Computing

We will be starting to learn how to be game designers!

### How you can Help

Please make sure your child's homework is completed on time, listen to your child read and help them learn their weekly spellings.

### Creative Carousel

We will do a variety of sewing, cooking and gardening based activities.

### French

We will focus on learning our numbers up to 100.

### PE

We will focus on hockey and tennis.
