It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22		Total fund allocated: £19820	Date Updated: 25.07.2022	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 36.5%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Provide as many opportunities as possible for children to engage in physical activity in school.	In Key Stages 1 and 2 we rota the use of a dedicated sports area at break times and lunchtimes to ensure that a greater range of pupils participate in physical activity. Activities are led by an adult Sports Leader. At break times children from Year 1 to 6 are able to take part in a range of different games such as multi-skills, dodgeball, bull-tag, cricket, football, basketball and running races in the ball court or on the school field. Furthermore, children from Year 1 to 6 are all timetabled to have an extra 30 minutes of physical activity, once a week during lunchtimes. Years 2 and 3 play fun, active games	£7233.15	There has been a positive impact in the number of children engaging in physical activity out of school. Children are more aware of how 60 minutes (30 minutes in school and 30 minutes out of school) physical activity daily can benefit you psychologically and physiologically. Children's hand-eye coordination and ball skills improve. Confidence and ability to work as a team similarly improved. There has been a positive impact on the number of children engaging in physical activity out of school.	Expand role of Young Leaders using the Team Building resources. Further CPD for staff to use the Cross-curricular PE equipment and resources to make their lessons more active.

	<p>working on their hand-eye coordination and ball skills. Years 4,5 and 6 play a range of different sports such as athletics, basketball, tennis, badminton, netball, football and cricket.</p> <p>School has invested in OPAL (Outdoor Play and Learning) -funded separately -which focuses maximising play opportunities for all children at break and lunchtime.</p> <p>Cross-Curricular Orienteering staff CPD to enable pupils to be physically active during lessons other than PE.</p> <p>A 'walk, scoot, bike to school' continued from the summer term 2021 to encourage pupils to walk, scoot or bike to school. Rewards were given to pupils who regularly participated.</p>	<p>£ see key indicator 3</p> <p>Free</p>

Key indicator 2: The profile of PESSPA (Physical Education, School Sport and Physical Activity) being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				5.2%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
<p>During the weekly achievement assemblies, Low Ash News and on Social Media, continue to celebrate sporting achievements and results. This will ensure that the whole school is aware of the importance of PE and Sport and to encourage all children to aspire to being involved in sports.</p> <p>Continue to celebrate teamwork, good sportsmanship, resilience and determination as well as the outcome of the game/achievement.</p> <p>Children are enthusiastic about sharing their achievements in front of the school, which gives them recognition of their achievements on a wider scale and builds their confidence and sense of self.</p> <p>Individuals to demonstrate their skills in front of others – gymnastics, football, dance etc.in lessons, assemblies and talent show.</p>	<p>Contribution to Healthy Schools Week where all pupils from Nursery to Year 6 get the opportunity to experience a wide range of sports and ‘healthy living activities’. Golf, Dance, Basketball, Gymnastics, Balance Bikes</p> <p>Sporting teams to be photographed and displayed around school.</p> <p>Continue with school sports person of the year.</p>	£1030	<p>All children identify with success and aspire to be a sporting hero. All children understand the importance of having: a growth mindset, a positive work ethic, dealing with failure, overcoming barriers and the sacrifices athletes make to become an elite level athlete.</p> <p>Children have the opportunity to engage in a range of sporting activities which they will not have encountered before. This will ignite their passion for PE, impacting positively upon their engagement in PE lessons.</p> <p>Children understand the importance of exercise, physical activity, sport and healthy eating and the positive impact this has both psychologically and physiologically.</p>	<p>Look to further embed PE in more areas of the curriculum through innovative approach based on training received – eg Cross-curricular Orienteering and physically active sessions in the classroom to reduce sedentary time.</p> <p>All staff to continue to be fully aware of PESSPA training opportunities and website. Quality resources will improve teaching and raise the profile of P.E in school and enhance positive participation/ enjoyment in P.E.</p> <p>Survey children to ascertain which sports personalities the pupils relate to and invite them into school/ have assemblies focusing on them if this isn't possible.</p> <p>Develop contacts with other professional athletes and invite</p>

<p>Introduce role models – sporting personalities so pupils can identify with success and aspire to be a local sporting hero. This can be done during assemblies.</p>			<p>Photograph this year's teams and them into school. to continue to build the profile of sport in school.</p>	<p>Photograph next year's teams to continue to build the profile of sport in school.</p> <p>Children aspire to be sportsperson of the year.</p>
