1<sup>st</sup> July 2022

Dear Parents/Carers,

To start, we thought we would share the plans for next year's classes. Below you will find a list of where each class is moving to next year. On the morning of 20<sup>th</sup> July, all pupils will 'move up' and spend time in their new classroom with their new class teacher(s). We know all teachers, although sad to be saying goodbye to their current classes, are excited to be meeting their new pupils!

Old Class 2021/2022	New Class 2022/2023

## Opal – Outdoor Play and Learning

A further plea that if you have any of the following which you no longer need, then please do send them to school with your child.

- old pots and pans, kitchen baking trays, metal spoons to mix with or bang with (!)
- old clothes which can be used for dressing up (no high heels please)
- large paintbrushes (children can 'paint' using water on the playground)
- containers which could be used by the children to transport water
- old suitcases
- old pushchairs

## Animals in School

As you may remember, Fudge the guinea pig has retired although she will still visit from time to time. We intend to buy two new guinea pigs in September as the children have loved having a pet so much. In the meantime, we will have a dog visiting school each Thursday afternoon (a Golden Retriever named Shadow who is used to children and being in a school environment) so that the children are able to still have the chance to stroke and interact with a pet.

## Parking

Finally, a further reminder about parking responsibly around school. Last week we were emailed a photograph of a car of one of our parents/carers which was parking on private property with clear visible signs. This parent/ carer was obstructing full access to 20+ houses on a street close to school. If these houses had required an emergency vehicle or even a large delivery, it would have been impossible. Please can everyone remember to show some respect and consideration to local residents and also for the safety of our children.

We advised the parent who reported this to make a complaint to the police via the online form below so that they could investigate. In the past, the police have checked number plates and visited the culprits. If you want to report obstructive or nuisance parking, you can do so using the link below.

As always, thank you for all your help and support with everything this week. We hope that you have a lovely weekend and we look forward to seeing you next week.

Yours sincerely,

Beth Medhurst and Fiona Meer
