## **Statement of Intent**

At Low Ash Primary School, we understand the need to continually deliver high quality education, including during periods of remote learning – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed. Through the implementation of this policy, we aim to address the key concerns associated with remote learning, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- minimise the disruption to pupils' education and the delivery of the curriculum
- ensure provision is in place so that all pupils have access to high quality learning resources
- protect pupils from the risks associated with using devices connected to the internet
- ensure staff, parent, and pupil data remains secure and is not lost or misused
- ensure robust safeguarding measures continue to be in effect during the period of remote learning
- ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning

## **Providing alternative arrangements**

To help limit the transmission and spread of COVID-19, the school is operating a paperless approach to remote and home learning. However, at Low Ash, we recognise that there are some pupils who may not be able to access online based learning at home for a variety of reasons. If a family is unable to access remote learning from home then they should contact school so that alternative arrangements can be made.

If staff have questions or concerns about remote learning, they should contact the following individuals;

- Issues with setting work- Key Stage Leader.
- Issues with behaviour- Key Stage Leader in the first instance
- Technical issues with IT- Jason Byrne, Site Manager
- Issues with own workload or wellbeing- Janina Grimshaw or other member of SLT
- Concerns about Safeguarding - Designated Safeguard Lead (DSL).

## **Remote Learning Provision**

The school is prepared to move to Remote Learning Provision should it be necessary. In this instance, pupils in each year group will receive weekly remote learning tasks as a minimum expectation which should be completed according to the expectations of the class teacher.

The quantity of work issued to pupil will vary in each year group; these expectations would be then communicated to pupils in school and to parents. More information on specific year group expectations for remote learning would also be added to the year group's section in the 'Learning Zone' of the Low Ash Primary School website.

## Appendix

### **Remote Learning during a Pandemic situation**

Within the ever-changing circumstances we have been living through recently, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

#### **1. Legal framework**

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
  - DfE (2021) 'Safeguarding and remote education during coronavirus (COVID-19)'
  - DfE (2021) 'Adapting teaching practice for remote education'
  - DfE (2021) 'Guidance for full opening: schools'
  - DfE (2021) 'Get help with technology during coronavirus (COVID-19)'
  - DfE (2021) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
  - DfE (2021) 'How schools can plan for tier 2 local restrictions'
  - DfE (2021) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - Department of Health & Social Care (2021) 'COVID-19 contain framework: a guide for local decision makers'

#### **2. Contingency planning**

- 2.1 The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments
- 2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class needs to self-isolate, the school will immediately implement remote learning for that group.

The level of remote learning provision required will be based on the government's guidance. Where there are no local restrictions in place, the school will continue to remain fully open to all.

### **3. Teaching and learning**

- 3.1 All pupils will have access to high-quality education when remote working.
- 3.2 The school will use a range of teaching methods to cater for all different learning styles.
- 3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- 3.4 When teaching pupils who are working remotely, teachers will:
  - Set assignments so that pupils have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
  - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
  - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
  - Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- 3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the co-headteachers will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
  - Pupils in KS2

- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
- Children in all year groups who are unable to access remote education whilst attending school on a hospital site

3.10 Before distributing devices, the school will ensure:

- The devices are set up to access remote education
- Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely

3.11 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

#### **4. Returning to school**

- 4.1 The co-headteachers will work with the LA to ensure pupils only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the co-headteachers will inform parents when their child will return to school.
- 4.3 The co-headteachers will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

#### **5. Monitoring and review**

- 5.1 This policy annex will be reviewed in line with any updates to government guidance.
- 5.2 All changes to the policy will be communicated to relevant members of the school community.
