

# People who help us !

### What are we learning this half term ...

We will be focusing our learning around people who help us.

We have had a mind mapping session, to help us think about all the different people who help us during the day, from our Parents/carers and teachers to shop keepers, fire fighters, Doctors and garage mechanics.

Please talk to your child about people who help them and talk about what you do for a living. If anyone has a specific trade and would like to come and talk to the children about how they help others, please come and chat to one of the Nursery team.

### Maths

It is important for children to have a good understanding of maths and in Nursery, this half term we will be focusing on:-

Showing finger numbers up to 5 1:1 correspondence

Creating repeating patterns (e.g. conker, leaf, conker & leaf)

Investigating circles Comparing objects relating to weight

Vocab: 'more than' 'fewer than'

### Core Story

Our core story is 'Emergency'. Please enjoy this book at home with your child.

We have included some key words with the core book pack. We would like you to talk about these when you are reading together.

### Termly Challenges

Each week we will send home a weekly challenge - Look out for these on School Ping!

### Baking

This half term we are making apple and strawberry muffins!

### Reading

We continue to visit the Library every **Friday**, so please ensure your child's library book is brought back on this day.

### Reading time!

Each **Friday**, at the start of the session, we would love for you to stay 20 minutes and share a story with your child in class. We will alternate the days each half term so hopefully everyone will have the chance to attend at some point!

## Cold Weather

Now we are in November and the weather is getting colder, please can all hats, gloves, scarves be labelled with your child's name.

## Christmas

The last two weeks of term will be dedicated to Christmas. During this time we will be having an EYFS Christmas Show .

Performance 1- Tuesday 6th December (2.15pm)

Performance 2- Wednesday 7th December (9.30am)

We will also be having a stay and play **Christmas Workshop** for parents and carers. The date has yet to be confirmed. This will be a good time for you to Carry out Christmas crafts with your child and have a look at their learning journey and speak with the teachers.

## Snack Money

Thank you for your snack money contributions for last half term. As some have contributed for the year or full Autumn Term, we will be putting individual reminder slips in the children's book bags - please look out for these. Thank you so much for your continued support.

## Loose Parts Play

Please look out for the letter about loose parts play in Nursery.

We are hoping to build a fantastic box full of interesting bits and bobs for the children to explore and play with.
