

Year 1 Half term 2
Suggested challenges for your child to enjoy at home

Follow instructions to make chocolate covered apples.

Write and post a letter.

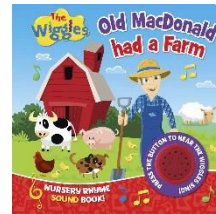

Make a treasure map. Can you use directional language to describe the location of your treasure?

In History we are learning about changes over time. Talk to your relatives such as grandparents about the toys they had when they were little. Write down any differences.

Read some traditional nursery rhymes and perform them to friends or family.

Do a blind folded test taste. Can you name your 5 senses? Use your sense of taste to try guess the food. Can you describe what it tastes like?

Go for an autumnal walk and collect some conkers, acorns or leaves. Use the objects to create addition or

Create a worry monster by using a peg, string, pipe cleaner and googly eyes.

Complete a jigsaw. Count how many pieces your jigsaw has.
