

Year 5 Half term 2
Suggested challenges for your child to enjoy at home

<p>Take a walk around Roberts Park in Saltire. Can you find a statue of a famous Victorian and have your photo taken with him?</p>	<p>Make your own Nutcracker. This is an object invented during Victorian times and widely used as a Christmas decoration.</p> 	<p>How creative can you be... make a Christmas themed edible treat!</p> 
<p>Design an outfit for a rich Victorian. Research what the style would have been like; what materials they would have used and draw and label your design.</p>	<p>Find and read a Christmas story to someone else in your family. This might be a younger sibling or even a grandparent.</p> 	<p>Write a biography of a famous Victorian. You can choose anyone you like to research or use one of the options below.</p> <ul style="list-style-type: none">Queen VictoriaDr BarnardoCharles DickensRobert Peel
<p>Conduct a science investigation to see how far a ball can roll on different surfaces, e.g. wood, grass, carpet etc.</p> <p>What is the name of the force that acts against the moving ball and slows it down?</p>	<p>Learn and perform your favourite Christmas song. Think about the lyrics and what they mean, and think about how you can make your performance interesting and fun to watch.</p>	<p>Spend some time taking part in a sport outside of school. Think about why you do this sport and what you love about it. We'd love to see some pictures of this and an explanation if you wish!</p>
