

## Year 6 Parent/Carer Newsletter - Autumn Half Term 2

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

### Science

Our Science focus will be on Electricity, including making electrical circuits.

### Music

We will be using technology to remaster and remix contemporary music.

### French

We will look at a sports -based unit called 'French Football Champions'.

### English

After finishing our flashback stories on The Piano, we will move onto setting descriptions based on the Blitz and our class reader: 'Letters from the Lighthouse'. We will also write a discussion text based on a topic of our choice.

### Religious Education

We are learning about what Christians believe about Jesus' death and resurrection.

### Computing

We will be learning how to use spreadsheets in different contexts.

This half term our topic continues:  
**How significant was the role of Britain's allies in changing the course of WWII?**

### Mathematics

We will concentrate on division and fractions. We will also ensure that children's recall of x and ÷ facts continues to improve.

### Fantastic Friday

We are working with ASDA and 'Rethink Food' to setup a social enterprise project based on food waste.

### PSHE

We are learning about managing risk and staying safe out and about.

### Geography

We will look at a range of British Geographical issues including litter, air pollution, flooding and waste.

### History

We will study World War II, in particular: the events that led to the outbreak of WWII and the Battle of Britain and D-Day. We will look at a variety of historical sources and draw our own conclusions.

### PE

Dance  
Football
