13th January 2023

Dear Parents/Carers,

As usual, it's been a busy week in school and it feels as if we have been back from Christmas for weeks! It has been a challenging week with a high level of staff absence, which is unusual for us, so well done to the children for continuing to work so hard, even when their normal teacher may not have been in school. A big thank you to all staff who are working harder than ever to ensure that there is minimal disruption for the children. Thank you also to all parents and carers for your continued support in all aspects of school life.

Space Camp

Last night, 5E spent the night at school to carry out their Space Camp activities. The children had a wonderful time looking at the constellations in the sky (though we have to say that it was disappointingly cloudy), training to be astronauts and making their own constellations as well as the extremely exciting camping out in space pods in the school hall! Thank you to Miss Hansen who organised the event, and to the staff involved who worked so hard to make the first Y5 Space Camp such a success. Thank you too to Mr Hine who came to join us to bring his knowledge and expertise to the event. We're sure that 5H can't wait for their turn for a very special educational experience.

Special Award

Congratulations this week to Mr Jessop, who has now been working for the council for 25 years. We are sure you will agree that this is a huge achievement. He will receive his award in due course so we look forward to hearing more about it then.

Rethink Food

If your child is in Year 6, you may be aware of our new partnership with Asda and Rethink Food. We are hoping to run a small 'pay what you think' food shop for parents/carers on Fridays after school, starting from next week. More details to follow, but we think it will be very exciting!

Badminton

Well done to the Under 11 Badminton team who competed at Hanson last night in a 'Friendly' competition. It was much enjoyed by all and the children were, as always, a credit to the school.

Parent Governor Voting

The voting for the new parent governor position has started and we have had a great response. So far, over 150 parents have voted, so thank you if you have already placed your vote. It is clearly going to be a close race for the post, so please do take the time to vote!
