

Year 5 Spring 2 Parents'/Carers' Leaflet

Music

We will continue learning how to play to the trumpet and looking at "The Planets" suite by Gustav Holst.

English Work

We will be writing character descriptions based on the book Holes, which is one of Miss Hansen's and Miss Emery's favourite books.
We will also write poetry inspired by the work of Matt Goodfellow.

History

In History we will be doing a local history study on Saltaire and looking at Sir Titus Salt. As part of this topic we will go on a trip to Saltaire to look at various historical streets and buildings. More information to follow.

Science

After finishing our topic on space we will move on to looking at properties of materials, including reversible and irreversible changes.

Religious Education

We will complete our unit on codes for living and move on to looking at forgiveness.

This half term our topic is:
Geography: Australia
History: Why is Saltaire a World Heritage site?
How should we remember Sir Titus Salt?

Mathematics

We will continue working on knowledge of adding, subtracting and multiplying fractions. We will also cover short multiplication and bus stop division.

PSHE

We will start looking at mental health and wellbeing.

ICT /Computing

We will be completing our unit on E-Safety.

Geography

We will explore the physical geography of Australia whilst improving our map skills and knowledge of the world.

French

We will be looking at how to structure sentences and phrases in French.

PE

We will be learning to play basketball and cricket.

How you can Help

Please make sure your child's MyMaths homework is completed on time, listen to your child read and help them learn their weekly spellings.

Fantastic Friday

5E: Arts and Crafts/ Board Games.
5H: Science experiments/ Board Games.

Sketchbook

We will look at Aboriginal Art, linking to our geography topic of Australia.
