

## Year 6 Curriculum Overview - Spring Half Term 2 2023

<p><u>History</u> We will be continuing our work on Ancient Greece and will continue to look at the civilisation's influence on the Western World.</p>	<p><u>Geography</u> We will be looking at the continent of South America including its physical and human geographical features. We will study the East and West coasts as well as the Inca Empire.</p>
<p><u>Science</u> We will study evolution and inheritance, in particular how humans have evolved over time. We will also look at Charles Darwin's theory of natural selection.</p>	<p><u>PE</u> We will be taking part in some adventurous, outdoor orienteering and will also be working on refining our skills in Tag Rugby.</p>
<p><u>French</u> We will be learning to talk about our own hobbies and pastimes as well as recap prior learning from Year 6.</p>	<p><u>Computing</u> We will be covering additional areas of Online Safety need using the 'ProjectEVOLVE' curriculum.</p>
<p><u>Mathematics</u> We will continue our learning about fractions, decimals and percentages before moving on to algebra and then measures.</p>	<p><u>English</u> We will be basing our first piece of narrative writing on the book 'The Journey' by Francesca Sanna. We will also be writing persuasive leaflets all on South America.</p>
<p><u>Religious Education</u> We will continue answering our overarching question for the Spring Term: How does growing up bring responsibilities?</p>	<p><u>PSHE</u> We will be completing a unit of work based on the concepts of identity, society and equality. We will also look at human rights.</p>
<p><u>Our Values</u> We will be focussing on the value of democracy as well as the concept of resilience.</p>	<p><u>Art &amp; DT</u> We will be combining different tools and explaining our reasoning for this. At the end of the half term, we will be creating Greek style pots.</p>
