

Year 1 Half term 4
Suggested challenges for your child to enjoy at home

Ask a family member for their favourite recipe and see if you can make it!

Test your skipping skills. Once you have mastered normal skipping, can you skip backwards? Can you skip with friends?

Pick two numbers from a car number plate. Can you add them together?

$$6 + 5 = 11$$

Can you see any Spring flowers yet? Look out for crocuses, daffodils or cyclamen.

Writing challenge - Can you design and write about a monster on the sheet in your homework books?

Choose a selection of objects from your kitchen. Say what the object is and the material it is made from.
The object is a spoon and the material is metal.'

Use small things such as pasta, pencils, Lego or pebbles and use the objects to create number bonds to 20.

Clap the syllables in your families' names. 'Grand-ma' - 2 claps!
'Auntie June' - 3 claps!

Look at house numbers near you. How many tens and how many ones do they have in their number?
