

Year 5 Half term 4
Suggested challenges for your child to enjoy at home

Create a travel guide for Australia. Talk about the places to visit, things to see, areas of interest etc.

Write a story or diary entry from the perspective of a mill worker.

Spring is nearly here! Go for a walk. Can you spot any of the new wildlife or flowers and take or draw a picture of them? Some examples are bluebells, daffodils and lambs.

Draw Salts Mill in the style of David Hockney. Make sure to use lots of colour and mimic his unusual style.

Write a book review for a book you have enjoyed recently. Why did you like it? What was the story about? Who would you recommend it to and why? How many stars would you give it out of five?

Go for a scooter or bike ride to your local park or to the canal. Make the most of the better weather (fingers crossed). Could you take a picnic?

Write a song or a rap about the change of seasons.

Pretend you are Sir Titus Salt. Can you create your own model village? You can sketch it or build it. Explain what is in your village and why.

Our PSHE unit this term is on mental health and wellbeing. Spend some time doing something that is good for your mental wellbeing. This could be partaking in your favourite sport, reading a book in your favourite reading spot or spending time with family and friends.
