

Year 1 Summer 1 2023 Parents'/Carers' Leaflet

Science

Our topic this term is plants. We will identify and name common and wild plants including deciduous and evergreen trees.

We will learn to identify and describe the structure of plants.

Geography

This half term we will be learning about the seven continents. We will look at each continent in turn, identifying physical and human geographical features.

English

We will be reading the book 'Tattybogle' by Sandra Horn .

The children will continue to learn basic sentence structure, focusing on capital letters, full stops and correct spacing. We will be also be learning about the suffix -ing.

We will be encouraging the use of interesting adjectives to improve our writing as well as the conjunction '**and**'.

RE

Our key questions is 'Who brought messages about God and what did they say?'.

Look at our curriculum map to see what exciting things we will be learning this half term.

PE

- Locomotion - running
- Games - ball skills using ours hands

Mathematics

- ♦ Multiplication & Division, making arrays/doubles/equal groups - grouping and sharing.
- ♦ Number bonds - To know these off by heart to 10 & 20.
- ♦ Writing numbers in letter form to 20.
- ♦ Counting in 2s, 5s and 10s when counting larger amounts.

Computing

- Using Multimedia.
- Coding - Learning what coding means and to understand the computer needs clear instructions to make it work.

PSHE

Our topic this half term is mental health and emotional well-being.

We will be discussing our feelings and why our feelings changes in different scenarios.

Art

This term we will be focusing on the local artist David Hockney.

We will be looking at and focusing on his works depicting the hills, fields and valleys around Yorkshire.

We will be using various mixed media.
