

Year 2 Summer 1 Parents'/Carers' Leaflet

The aim of our curriculum is to link much of the work around a theme,
which makes learning more exciting

Geography

In geography we are learning about the countries in Northern Europe. We will locate them, name them and learn about their geographical features.

Science

This half term we will be learning all about living things and their habitats.

Art and sketchbooks

Seaside art

Music

Why has music an important part in films?

Computing

We will be creating pictures.

This half term's topic is:
Geography: Northern Europe

English

This half term we are reading 'The Faraway Tree' by Enid Blyton. We will be writing a setting description of our own magical land.

Mathematics

We will be looking at the following:

Fractions

We will be consolidating our understanding of fractions which include: unit-fractions, non-unit fractions and fractions of amounts.

Statistics

We will be learning how to read a variety of charts and graphs including tally charts and pictograms.

Measure

We will be practising how to read units of measure.

RE

We will be looking at the teachings and life of Jesus. We will look at the miracles that Jesus performed and some of his stories.

PHSE

Our topic this half term focuses on relationships.

PE

PE will continue to be on a Monday and Wednesday. Please remember to come to school in your PE kit on these days. Some days it may be outside so dress accordingly for the weather. We are focusing on ball skills.
