

Year 1 Summer 2 2023 Parents'/Carers' Leaflet

Science

Children will be continuing to be identifying and naming a variety of common plants, including: garden plants, wild plants and trees.

Music

At the start of the term we will listen to a piece of music and use the concepts of music we have learnt this year to appraise it. We will also perform our own piece of music to tell a story.

English

In English this half-term, our focus text is The Bee Who Spoke. We will be writing a setting description of where Belle lives.

We will learn to include the prefix 'un' into our writing and revisit the conjunction 'and'.

RE

We will help develop skills of questioning, explanation and awareness of what 'caring' looks like for different pupils and people of different faith backgrounds. We will reflect, communicate, encourage self-esteem and empathy.

Look at our curriculum map to see what exciting things we will be learning this half term.

Mathematics

- Time & Money
- Fractions
- Position & Direction
- Place value within 100

History

This half term we will be learning all about our monarchy. We will be exploring questions such as:

Who is our current monarch and what is his role?

Where does the King live and who is in the King's family?

Who will succeed King Charles III to the throne?

PE

- Athletics
- Relay races
- Preparing for Sports Day!

Art/DT

This half term we are focusing on our DT skills, making a tasty fruit salad and using seasonal fruits.

Computing

Learning what a spreadsheet program looks like and enter data into the spreadsheet cells on Purple Mash. We will also be learning about technology outside of school.
