Tesco Community Grant – Possible Funding for Low Ash

We have been shortlisted to receive a cash reward from the Tesco Community Grants Initiative, which sees grants of £500 up to £1,500 awarded to local community projects.

Shoppers are being invited to head along to Tesco stores to vote for who they think should take away the top grant and we are pleased to announce that Low Ash's Sensory and Wellbeing Garden is one of the groups on the shortlist. Voting is open in the Tesco below stores from 3rd July until the end of September and customers will cast their vote using a token given to them at the check-out each time they shop.
