

Year 2 Half term 1
Suggested challenges for your child to enjoy at home

Now that the holidays are over, can you create a picture of something that you enjoyed doing in the holidays.

Find a book and draw a picture of your favourite character. Can you write some sentences or words to describe them?

Go for a walk. Can you see the different types of street signs? Can you read some and remember their locations?

In Geography we are learning about maps and keys. Can you draw a map of your street?

Can you pick an animal that you really like and stetch them using a pencil just like Bill Flowers.

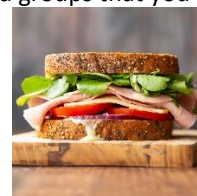

Go on a trip, either in the car or on a walk, sketch the landscape or area that you visit.

In Science we are learning about materials. Can you find objects that are made out of the following: metal, glass, plastic and wood. Write down the objects that you have found.

Help your adult to make a healthy sandwich. Can you think of the different food groups that you have used?

Can you count to 100 to a grown up? If you want a challenge try counting backwards from 100!
