

26th April 2024

Nell Bank

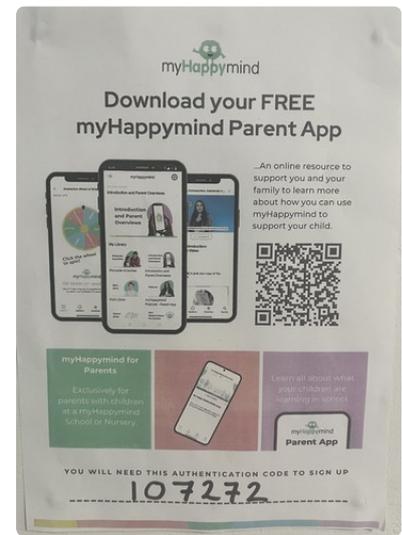

This week the Year 5 pupils enjoyed their residential to Year 5 taking part in team building activities, a long hike on Ilkley Moor and river studies. A few tired eyes returned to school on Wednesday (staff included!) but the pupils had a fantastic time and were a credit to the school. Thank you to all of the staff who helped to organise the trip and who went on the residential.

My Happy Mind Update

The pupils are now on Module 2 - Celebrate- of their My Happy Mind journey which is all about pupils understanding their own unique character strengths and learning to celebrate them. This module is fantastic for building self-esteem.

A reminder that there is a parent app (free to access) which provides you with lots of fantastic resources and advice to support your child at home and helps them practise some of their habits which they have learnt at school eg. happy breathing. You will see posters in the notice board outside school and in the school entrance with the QR code which you can scan to download the app. Alternatively you can search for it on the Google or Apple app store.

Click on the photograph or website link below to be taken to the My Happy Mind site with information on the Parent app.

Next week, in assemblies, our 'Happiness Heroes' will be launched. The role of the Happiness Heroes will to be My Happy Mind ambassadors to lead the way in helping all children look after their own happiness.
