

Year 3 Summer 1
Suggested challenges for your child to enjoy at home

Can you listen to a piece of music and draw your own listening map?
Think about the pitch and tempo.

Can you create your own crown for the Monarch Henry VIII?

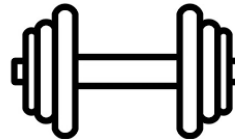

In Geography, we are learning about Western Europe. Choose a capital city from Western Europe and create a fact file on it.

Choose a country in Western Europe. Research what their national dish is and make it for your family for tea.

Create your own fitness circuit to keep you fit.

We are reading *The Secret Garden* in English, can you grow your own plant to go in a garden?

Spend a morning / evening technology free. Make a list of all the things you did during the time without the use of electronics.

Go on a walk in your local area. Make a list of all the plants you see in the season of Spring. You could sketch out your findings like a true botanist.

Can you learn to tie your shoe laces? If you learn to do it this term, your teacher will give you five merits!
