

Meet the Inclusion Leader - Mrs Carmel Spedding

I joined the Low Ash family as Inclusion Leader and Assistant head in April 2024. Prior to this I was a SENDCo in Leeds for 10 years; teaching for 17 years. It is my aim to make sure that every child has access to a broad and balanced curriculum, at their level, which allows for challenge and success. I believe every child has the right to an education and endeavour to ensure this is in place and that children feel safe, valued and have a voice.

At Low Ash Primary we offer every child an exciting curriculum where they can enjoy learning and reach their potential. We want every child 'to be the best that they can be' and value so much more than academic outcomes. We have high aspirations for all neurodivergent and neurotypical pupils and work hard to cater for pupils' individual needs, talents and interests. Our aim is to provide pupils with the knowledge and understanding they need for their future lifelong learning, develop their skills and self-confidence and to promote and encourage well-being and healthy lifestyles.
