

Year 6 Autumn Term
Suggested challenges for your child to enjoy at home

Listen to some wartime music and write a short review of two of your favourite tracks.	Design a recipe that could be made from rationed item that might have been available in WWII.	Read a WWII or WWI themed book by Tom Palmer.
Find out about wartime games that evacuees might have played. Recreate these and play them with your family and friends. Showcase this in any way you wish.	Make do and mend: Upcycle an old item of clothing (get permission first!) or even turn it into something new entirely.	Produce your piece of WWII propaganda art. Base this on famous British propaganda or create something brand new.
WWII soldiers had to be very fit. How fit are you? Set yourself a challenge e.g. climb a mountain, run 5K, cycle 10K and see if you can complete it. Show this in any way you wish.	Research poppies and explain why they represent the people who died in the wars.	Create your own piece of blitz artwork. Search 'blitz artwork' on your favourite search engine for ideas.
