

Year 3 Autumn 1  
Suggested challenges for your child to enjoy at home

In geography, we are learning about San Francisco. Research a famous landmark and create a poster to inform.

Read a book in an interesting location. Can you take a picture to show everyone in class?

Go for an autumn walk and write a poem about what you can see, hear, smell and feel.

In History we are learning about The Stone Age, in your garden or outside can you excavate any stones?

Help your grown up create a healthy plate of food based on the Eat Well Plate.

In music, we are practising our singing of ballads. Choose a song you love and learn all the words. Can you create a performance?

In Science, we will be learning about the the different food groups. Can you find any items of food in your house with the highest and lowest Kcal on the nutrition labels?

Find an interesting leaf and have a go at sketching it out. Remember to pay attention to the fine details.

Go to the supermarket with your family. Write down the cost of 3 items. Can you order them from the least expensive to the most expensive?
