

Year 1 Half term 2

Suggested challenges for your child to enjoy at home

Make Christmas paper chains and use maths vocabulary, 'The gold paper chain is longer than the red one but shorter than our door.'

Animal Spotter – Spot animals when you are out and about and talk about which of the 5 animal categories they belong to (Mammals, birds, fish, amphibians, reptiles).

English: Post a letter or write a fact file! Write a letter to Santa or send a Christmas card and send it in the post or write a fact file about one of our scientists; Steve Backshall or David Attenborough

Make up dances to songs with different tempos or talk about the tempo in your favourite Christmas songs.

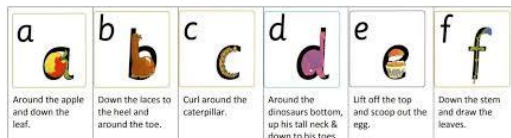

Can you count forwards to 100? Can you do it from any number? Can you count back from 20? 30? How high can you count back from?

Practice our nativity songs.

Letter & number formation – choose a letter or number and write it with as many different colours as possible. You can find our letter formation [here](#).

History:
Talk to members of your family about what their lives were like when they were as little as you! What toys did they have? What games did they play?

Follow a recipe and bake some festive treats!
