

Year 1 Half term 4
Suggested challenges for your child to enjoy at home

Become a season detective!
What season is it now? How do you know? Collect some outdoor clues (leaf, flower, twig) and create a collage for the season we are in now!

Find 2 groups of things in your house.
Count each group and add them together.
Write the number sentence.
Can you create your own addition sums?

Let's go on a word search!
Find 5 words that end with ng or nk
Find 3 things in your house that have the "ea" or "ee" sound. Can you write them down?

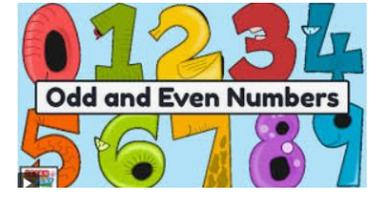

This month is a special month for Muslims! Can you try find out why?
Draw or write about what people might see or do at an **iftar** meal (the meal to break the fast).

Create a flower collage using paper, leaves, or old magazines.

Go on a number hunt! Look for house numbers, car plates, or signs. Which ones are odd or even?

Find 3 objects that make **high sounds** (e.g. tapping a glass, small bell, squeaky toy) and find 3 objects that make **low sounds** (e.g. large drum, deep voice, banging a box).

Design a scarecrow and write 3 sentences about what your scarecrow likes to do. Try to use capital letters and full stops.
Challenge: Can you use the word 'and'?

Can you find out facts about the Jowett brothers?
Where did they live? What did they do?
Pretend you lived when Jowett cars were made.
Write one sentence about what it would feel like to ride in one.
