

1B's Curriculum Evening

Meet the adults working in Year 1

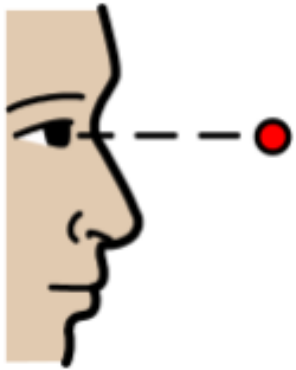

Miss Bibi

Mr Midgley

Mrs Stainsby

Miss Coope

Our golden rules

Be ready

Be respectful

Be safe

Uniform

- Grey/black trousers, skirt or dress.
- White polo shirt. Red cardigan or jumper.
- Black school shoes
- Our PE days will be Tuesday and Thursday
- Children should come to school in their P.E kit on P.E days. This should be black shorts/tracksuit bottoms, a plain, white T-shirt and a plain, black jumper or hoody. No football kits or any logos/writing. Outdoor trainers.
- Please label all jumpers/cardigans, coats, water bags, bags etc.

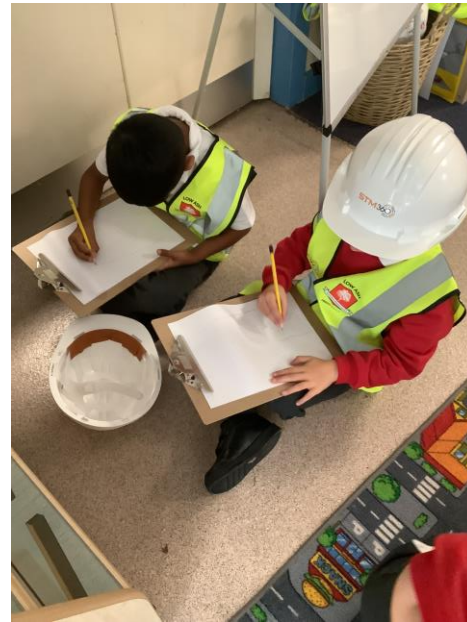

Provision in Year 1

This year, we are placing a strong focus on provision-based learning to support children in making a smooth transition from Reception into Year 1. Children will take part in short, focused inputs on the carpet before accessing a range of activities independently, alongside targeted adult-led tasks.

This approach allows children to develop their independence, confidence and learning behaviours while continuing to build on the play-based learning experiences they had in Reception.

Children will be able to have free flow provision in both classrooms.

Our class bear –

In 1B, children will get the opportunity to take our class bear home for the weekend!

They will also take the bear's journal with them, to record and show all the fun adventures they've been on with the bear.

Children can add pictures and write about their time together and showcase this to the class on Monday.

Please make sure this is brought back by Friday!

Rewards in 1B

Teacher shoutouts

Marvellous Me & Merits

We are running a new app called Marvellous Me. This is used to record children's merits and badges.

I will communicate awarded badges via Marvellous Me and the sign on the window so please keep an eye out on these. If you cannot attend that week, I can swap to an alternative week so your child does not miss out!

Star of the week and Golden Learners will be communicated via School Ping.

Phonics

- We have daily Phonics lessons in school.
- Your child will take home a reading book which they can read fluently as they read it for 3 days.
- Phonics Screening Check in summer term.

Section 1	Section 1	Section 2	Section 2
chip	fod 	elbow	slimp 
hill	bep 	tailor	crain 
jars	zat 	sequins	splet 
shack	ult 	whirling	strave 

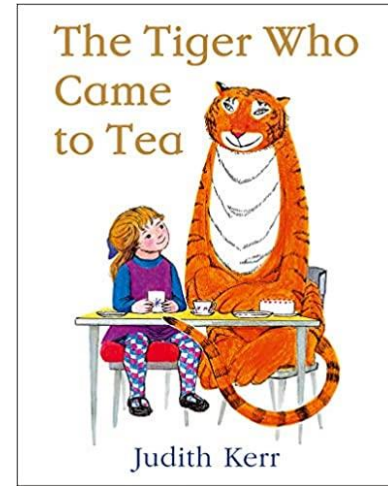

Reading

- Children should be reading at least three times per week at home. Children who do this will receive a merit.
- 'Reading' can include sharing a book together, where you read to your child for example, at bed time.
- You can even have children read to you, especially with their Phonics books!
- Please make sure you write when your child has read to you or you have shared a book in their Reading Record.
- Our library days are Tuesday afternoons – please make sure children bring their library books every Tuesday.

Writing expectations in Year 1:

In Year 1, we teach English through Drawing Club. We focus on one storybook per week and explore the character, setting and events of the story. This aims to build fluency of sentence building and structure at the beginning of the year.

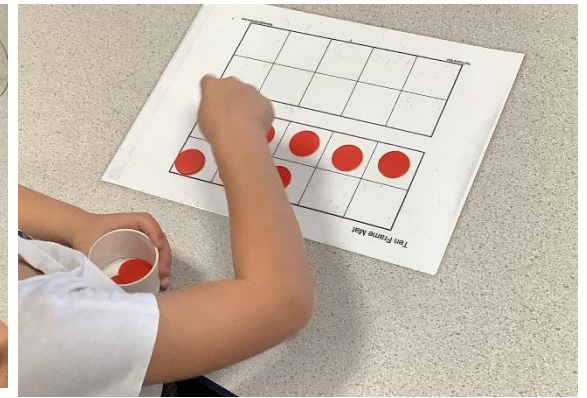

Children need to be able to:

- Punctuate each sentence with a capital letter and full stop and include finger spaces.
- Write a sequence of sentences.
- Form all letters correctly.
- Use the conjunction 'and' to join clauses.
- Use their Phonics understanding to spell.
- Spell most Year 1 words correctly.

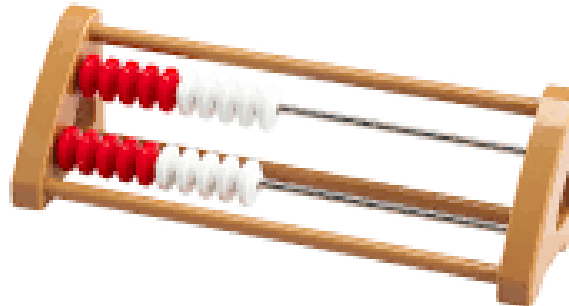

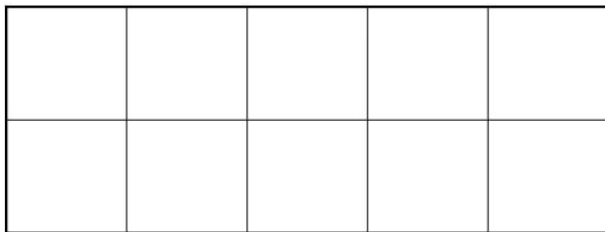

Maths in Year 1:

- Maths is taught everyday and the children use lots of resources to support their understanding of maths.
- Everyday we flashback to prior learning and count forwards and backwards. We also work on number recognition (number and word) and practise our KIRFs.
- We are really focusing on number formation!

Ten Frame Mat

Magic Monday

Trips

- We will be going to the Bradford Industrial Museum in November, tied into our History unit and a local area walk linked to Geography. Details will be given closer to the time. We are always on the lookout for parent volunteers so if this is something that you are interested in, please let me know!
- We will be having an external visit from Captivating Creatures at the beginning of November in Year 1 tied into our Science Unit. Details will be given closer to the time. They will be bringing in a range of insects/ creatures!
- We have lots more exciting opportunities planned for the children over the year which will be shared with you all closer to the time!

How you can support and help your child achieve...

- Talk to them about their day at school.
 - Hear your child read and share books.
 - Support them with homework.
 - Ensure they attend school every day.
 - **Be proud of your child's achievements!**
-
- If you have any queries, please feel free to come and seek support from myself at the door or contact me via email! I look forward to working with yourselves and your amazing children this year!
